

LIBRARY ADVISORY BOARD

Life's Just Better Here

ANNUAL GOALS AND ACCOMPLISHMENTS REPORT

2020-2021

The purpose of the Library Advisory Board is to recommend to the City Commission rules, regulations, and policies to govern the maintenance and operation of the City library.

Accomplishments in 2020.

Due to the pandemic, the Board met only twice in 2020. At both meetings, the Board members discussed the status of the Library's budget with the Library Director.

Goals for 2021.

The Board will be well informed about the programs, policies, budget, and plans of the Library through regular and frequent formal and informal communications from the Library Director.

The Board will engage in planning for Board development and planning of ongoing identification, cultivation, and recruitment of effective Board members.

The Board will assist the Director in informing the community about Library programs and resources.

The Board will assist the Director in the five-year review of the Library's Materials Selection Policy.

Respectfully submitted,
