Invitation to Bid (ITB) will be emailed to all Bidders who have requested to be placed on the applicable vendor mailing list. Requests may also be emailed to unregistered Bidders. Neither the mailing of one ITB to the vendor, nor a bid in return, will register a vendor on our system for and future ITB. If you wish purchase orders to be sent to a different address, please so indicate on your bid. If you wish payments to be sent to a different address, please so indicate on your invoice.

1.02 DELIVERY: Time will be of the essence for any orders placed as a result of this ITB. The City reserves the right to cancel any orders, or part thereof, without obligation if delivery is not made in accordance with the schedule specified by the Bidder and accepted by the City.

In addition, invoices generated between September 15th – September 30th of each fiscal year shall be submitted to the City no later than October 15th of the next/new fiscal year. Payment terms, unless otherwise stated in this ITB, will be considered to be net 45 days after the date of satisfactory delivery at the place of acceptance and receipt of correct invoice at the office specified, whichever occurs last. Bidder may offer cash discounts for prompt payment but they will not be considered in determination of award. If a Bidder offers a discount, it is understood that the discount time will be computed from the date of satisfactory delivery, at the place of acceptance, and receipt of correct invoice, at the office specified, whichever occurs last.

Indicate whether or not the Bidder is willing to accept payment via the City's P-Card and include any fees (if applicable).

1.04 TOTAL BID DISCOUNT: If Bidder offers a discount for award of all items listed in the bid, such discount shall be deducted from the total of the firm net unit prices bid and shall be considered in tabulation and award of bid.

If variances are not stated, or referenced as required, it will be assumed that the product or service fully complies with the City's terms, conditions, and specifications.

By receiving a bid, City does not necessarily accept any variances contained in the bid. All variances submitted are subject to review and approval by the City. If any bid contains material variances that, in the City's sole opinion, make that bid conditional in nature, the City reserves the right to reject the bid or part of the bid that is declared by the City as conditional.

This nondiscrimination policy involves every aspect of the City's functions including one's access to, participation, employment, or treatment in its programs or activities. Anyone requiring reasonable accommodation for the public meetings specified herein (i.e. Information Conference or Proposal Opening), should contact the person named on the first page of this document at least twenty-four (24) hours in advance of the activity.
- 5.18 UNUSUAL CIRCUMSTANCES:** If during a contract term where costs to the City are to remain firm, or adjustments are restricted by a percentage or a Consumer Price Index cap, and unusual circumstances that could not have been foreseen by either party to the contract occur and those circumstances significantly affect the Contractor's cost in

providing the required items or services, then the Contractor may request adjustments to the costs to the City to reflect the changed circumstances. The circumstances must be beyond the control of the Contractor, and the requested adjustments must be fully documented. The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the City, the City will reserve the following options:

1. The contract can be canceled by the City upon giving thirty (30) days written notice to the Contractor with no penalty to the City. The Contractor shall fill all City requirements submitted to the Contractor until the termination date contained in the notice.
2. The City can require the Contractor to continue to provide the items and services at the firm fixed (non-adjusted) cost until the termination of the contract term then in effect.
3. If the City, in its interest and in its sole opinion, determines that the Contractor in a capricious manner has attempted to use this section of the contract to relieve themselves of a legitimate obligation under the contract, and no unusual circumstances have occurred, then the City reserves the right to take any and all action under law or equity. Such action shall include, but not be limited to, declaring the Contractor in default and disqualifying them from receiving any business from the City for a stated period of time.

If the City does agree to adjusted costs, these adjusted costs shall not be invoiced to the City until the Contractor receives notice in writing signed by a person authorized to bind the City in such matters.

5.19 ELIGIBILITY: If applicable, the Contractor must first register with the Department of State of the State of Florida, in accordance with Florida State Statutes, prior to entering into a contract with the City.

5.20 PUBLIC ENTITY CRIMES: In accordance with Section 287.133, Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or vendor under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

5.21 PATENTS AND ROYALTIES: The Contractor, without exception, shall indemnify and hold harmless the City and its employees from liability of any nature and kind, including, but not limited to, costs and expenses for or on account of any copyrighted, patented or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by the City. If the Contractor uses any design, device, or materials covered by letters, patent or copyright, it is mutually agreed and understood without exception that the bid prices shall include all royalties or costs arising from the use of such design, device, or materials in any way involved in the work.

5.22 ASSIGNMENT: Contractor shall not transfer or assign the performance required by this ITB without the prior written consent of the City. Any award issued pursuant to this ITB, and any monies that may become due hereunder, are not assignable except with the prior written approval of the City Manager.

5.23 LITIGATION VENUE: The parties waive the privilege of venue and agree that all litigation between them in the State courts shall take place in Broward County, Florida, and that all litigation between them in the Federal courts shall take place in the Southern District in and for the State of Florida.

5.24 PUBLIC RECORDS: The City of Wilton Manors is public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law. Specifically, the Contractor shall:

5.24.1 Keep and maintain public records required by the CITY to perform the service;

5.24.2 Upon request from the CITY's custodian of public records, provide the CITY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in chapter 119, Fla. Stat., or as otherwise provided by law;

5.24.3 Ensure that public records that are exempt or that are confidential and exempt from public record disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and, following completion of the contract, Contractor shall destroy all copies of such confidential and exempt records remaining in its possession after once the Contractor transfers the records in its possession to the CITY; and

5.24.4 Upon completion of the contract, Contractor shall transfer to the CITY, at no cost to the CITY, all public records in Contractor's possession. All records stored electronically by Contractor must be provided to the CITY, upon request from the CITY's custodian of public records, in a format that is compatible with the information technology systems of the CITY.

5.24.5 The failure of Contractor to comply with the provisions set forth in the Agreement shall constitute a Default and Breach of the Agreement, for which, the City may terminate the Agreement.

5.24.6 If CONTRACTOR receives a request for public records regarding this Agreement or the Services, CONTRACTOR must immediately notify the City Clerk in writing and provide all requested records to CITY to enable CITY to timely respond to the public records request. CITY OF WILTON MANORS, FLORIDA

ORDINANCE NO. 2013 – 0013

(Excerpt – Section 3, “Domestic Partner Benefits Requirement”)

Effective October 1, 2013

Section 3: Section 2-58 of the Code of Ordinances is amended by creating Subsection (v) as follows:

Section 2-58(v).

1. For purposes of this Section, the following definitions shall apply:

Domestic Partner shall mean any two (2) adults of the same or opposite sex, who have registered as domestic partners with Broward County, or any other jurisdiction with a domestic partner registry pursuant to state or local law authorizing such registration, or with an internal registry maintained by the employer of at least one (1) of the domestic partners. A Contractor (as hereinafter defined) may institute an internal registry to allow for the provision of equal benefits to employees with a domestic partner who does not register their partnerships pursuant to a governmental body authorizing such registration, or who are located in a jurisdiction where no such governmental domestic partnership registry exists. A Contractor that institutes such registry shall not impose criteria for registration that are more stringent than those required for domestic partnership registration by Broward County, Florida.

Cash equivalent shall mean the amount of money paid to an employee with a Domestic Partner in lieu of providing benefits to the employee’s Domestic Partner. The cash equivalent is equal to the employer’s direct expense of providing benefits to an employee for his or her spouse.

Competent to contract shall mean the two partners are mentally competent to contract.

Dependent shall mean a person who lives within the household of a domestic partnership and is:

- (1) A biological child or adopted child of a domestic partner; or
- (2) A dependent as defined under IRS regulations; or
- (3) A ward of a domestic partner as determined in a guardianship proceeding.

Domestic Partner Benefits Requirement means a requirement for City Contractors to provide equal benefits for Domestic Partners. Contractors with five (5) or more employees contracting with the City, in an amount of \$20,000 or more (“Covered Contracts”), shall provide benefits to Domestic Partners of its employees on the same basis as it provides benefits to the spouses of employees and/or the dependents of the spouses of employees. The Domestic Partner Benefits Requirement will be included in solicitations. A Domestic Partnership Certification Form will be included in all competitive solicitations and by virtue of the execution of the Domestic Partnership Certification Form, the contractor will certify whether it complies with the Domestic Partner Benefits Requirement.

Equal Benefits means equality of benefits between employees with spouses and/or dependents of spouses and employees with Domestic Partners and/or dependents of Domestic Partners, and/or between spouses of employees and/or dependents of spouses and Domestic Partners of employees and/or dependents of Domestic Partners.

2. **Equal Benefits Requirements.**

- A. All solicitations for Covered Contracts which are advertised shall include the requirement to provide equal benefits in the procurement specifications.

- B. As part of the solicitation response, the Contractor shall certify that the Contractor:
1. Currently complies with the conditions of this Section; or
 2. Will comply with the conditions of this Section at time of contract award; or
 3. Will not comply with the conditions of this Section at time of contract award; or
 4. Does not need to comply with the conditions of this Section because of allowable exemption.

The certification shall be in writing and signed by an authorized officer of the Contractor.

3. Mandatory Contract Provisions Pertaining to Equal Benefits. Unless otherwise exempt, every covered contract shall contain language that obligates the contractor to comply with the applicable provisions of this Section by providing the Domestic Partnership Certification Form.

4. Exception and Waiver. The provisions of this Section shall not apply where:

- A. The Contractor does not provide benefits to the spouse of an employee or the dependents of employee's spouse.
- B. The Contractor is a religious organization, association, society or any non-profit charitable or educational institution or organization operated, supervised or controlled by or in conjunction with, a religious organization, association or society.
- C. The Contractor is a governmental entity.
- D. The Contract is for the sale or lease of property.
- E. The Covered Contract is necessary to respond to an emergency.
- F. The provisions of this Section would violate grant requirements.
- G. The Contractor provides an employee the cash equivalent of benefits because the Contractor is unable to provide benefits to employees' Domestic Partners despite making reasonable efforts to provide them.
- H. Upon a majority vote, the City Commission may waive compliance of this Section under the following circumstances:
 1. Where only one (1) solicitation response is received;
 2. Where more than one (1) solicitation response is received, but the solicitation demonstrates that none of the proposed solicitations can comply with the requirements of this Section; or
 3. Where the cost of the Bid, as submitted by the lowest responsive bidder which complies with the requirements of this Section, would be at least five percent (5%) greater than the lowest responsive bid submitted by the bidder which does not comply with the requirements of this Section but would otherwise have been responsive if compliance with this Section would not have been listed as a requirement in the Bid specifications.
- I. In fiscal Year 2014, for a Covered Contract with a Contractor who provides reasonable assurances that the Contractor will provide benefits to employees' Domestic Partners in Fiscal Year 2014.

5. Grandfather. It is the intention of the City Commission that Contractors with existing contracts with the City be exempt from the application of this Ordinance until such contracts are renewed or amended.
